## THE CHESAPEAKE CHAPTER OF THE PCA EASTERN SHORE FALL TOUR *begins at CPR in Easton!*

Tour Master, *Aniano* of the *Chesapeake Chapter* can always be counted upon to put together a flawless outing for the Porsche-a-phile. The tour and drive from *CPR* to the *Blackwater Refuge* in Cambridge, MD was no exception.

Aniano, is a detailed

oriented perfectionist. When he puts together a tour you will have no excuse but to have a great time. Thanks for starting here first! Seeing the CPR parking lot filled with Porsches is ... well. *Awesome!*

## **ACCIDENTS HAPPEN! Even to Race Cars.**

Fortunately, Jack's #36 944 is sponsored by CPR. CPR's General Manager, Josh Pritchett assisted by metal craftsmen Troy and Jason, got the 944 on the Cellite style table and had it straight and ready for paint master, Aaron, to match the "orange" paint. "A real challenge", said Aaron. "I have never had to match such rough paint." It is a race car after all.
